North Dallas Artist Studio Tour on April 27 – 28, 2024 10AM-5PM

Free, self-guided tour of 19 artist studios

Nineteen art studios open their doors to the public on April 27-28, 2024, showcasing twenty-eight local artists, during the 19th annual North Dallas Artist Studio Tour. This free, self-guided tour will be held from 10 a.m. to 5 p.m. each day on Saturday, April 27 and Sunday, April 28, featuring artists working in glass, oils, watercolors, ceramics, jewelry, photography, fabrics, wood and more.

Visit working studios and see art in all of stages of creation. Talk to artists about ideas, processes, materials; find out how they got started, what inspires them, and how their art is evolving. See the work spaces. Get inspired to begin creating art yourself!

Watch Artists As They Create

Watch jewelers Charlotte Edwards and Martha Vaughan as they create silver jewelry using a new method of working with silver. At photographer Sheila Cunningham's studio, learn how she uses both traditional and digital photography tools to create reflections on contemporary issues. Every artist will be showing or discussing how they create their art.

This popular local art event is now celebrating its 19th anniversary, growing each year as visitors enjoy the opportunity to experience art being created by local accomplished artists before it goes to galleries or shows.

Where to Find Tour Artists

The tour features artists working in north Dallas - between NW Highway and LBJ Freeway, and from Webb Chapel to Central Expressway. Visit www.NorthDallasArt.com to download a map of all studios; printed maps are also available at each artist's studio.
